

# Keiko Sund has joined PRISM with business development responsibilities in Japan.

---

Sund is the former travel manager at Cargill Japan and Philips Japan in Tokyo and received the **2006 ACTE Advancing the Industry Award**. One of her roles will be explaining to all parties how the PRISM system works, how it respects personal data privacy and general questions that people have about PRISM. She may be contacted at [ksund@prism-grp.com](mailto:ksund@prism-grp.com).
