Association of Corporate Travel Executives

The Association of Corporate Travel Executives (ACTE) is the leading professional association dedicated to educating and networking the business travel community on a global level. Founded in 1988, ACTE has quickly grown to represent over 2,400 members from more than 35 countries worldwide. ACTE's membership is comprised of senior level travel managers and upper-echelon travel service supplies. A unique membership structure guarantees every ACTE member full voting rights, an equal share in member benefits, and a full return on their membership dollars.

As an ACTE member you will join a global network of business travel executives who have access to valuable answers to global travel management issues that are emerging in pacesetting organizations throughout the world. ACTE also empowers you through distinctive, top tier educational programming and networking opportunities.

Opportunity takes many forms. Sometimes it means having access to vital information. Other times it means meeting valuable contacts or having the chance to make a profound difference in the way you do business. ACTE provides you with the opportunity to make the most of your business dealings whether you are a user or provider of business travel services.

Don't let this opportunity pass you by. Join ACTE today!

ACTE Membership Benefits include:

- Educational programs developed by your peers and designed for advanced skill levels.
- Unparalleled opportunities to interact with senior-level business travel executives.
- Complimentary subscriptions to the ACTE Global Business Journal (formerly the ACTE Quarterly) and ACTE Update newsletter.
- Access to the "Members Only", corner of the ACTE website (www.acte.org).
- Substantial registration savings and privileges at ACTE's Global Conferences, and Executive Forums held around the world.
- The opportunity to make our strength your greatest resource.

The Network of Global Travel Executives
