

Logo size requirements > 24mm

<b>Colour:</b> PMS 299C (Amadeus Corporate blue)
<b>Size:</b> Due to legibility issues, this logo should be used when size restrictions require the logo to be smaller than 24mm in size.
<b>Clear Space:</b> The exclusion zone is calculated as 20% (1/5) of the final width (X) of the logo.
<b>Alignment:</b> As a guide, the farthest left corner and right tip of the arrow head should be used for alignment purposes.

Logo size requirements > 14mm
