

Logo size requirements > 24mm

| |
|--|
| Colour: PMS 299C (Amadeus Corporate blue) |
| Size: Due to legibility issues, this logo should be used when size restrictions require the logo to be smaller than 24mm in size. |
| Clear Space: The exclusion zone is calculated as 20% (1/5) of the final width (X) of the logo. |
| Alignment: As a guide, the farthest left corner and right tip of the arrow head should be used for alignment purposes. |

Logo size requirements > 14mm
